

Portable Indoor Scoreboards (Great for indoor sporting events)

Model SS-2000 Multi-Sport Timer

Befour's highly popular indoor multi-sport scoring system is versatile and easy to use. It makes timing and scoring a snap. Ultra bright 4" bar LED digits, bullet-style period indicators, and a loud horn are great for indoor sporting events such as: **wrestling, volleyball, hockey, basketball, and other timed sports.** Also a great coaching tool, the built-in practice mode allows coaches to run practices, circuit training, conditioning drills, and repetitive coaching exercises.

FEATURES

- **Elapsed Time Mode:** Set time to count up
- **Programmable Period Timer:** Set default time in each interval
- **Circuit Timing and Counting Feature:** Counts each interval
- **Horn:** Sounds as period/interval expires. On/Off setting
