Portable Indoor Scoreboards

(Great for indoor sporting events)

Model SS-2100

Wrestling Advantage Timer

The perfect companion to our SS-2000 scoring system. This rugged timer is a user friendly system and features ultra bright LEDs and a controller console that exactly mimics the full-size display.

- Amber timer displays net advantage time
- Bullet-style indicators show wrestler with net advantage
- Green/Red "Ad" indicates wrestlers with current advantage
- Green/Red "In" indicates injury time-out with total injury time
- Green/Red "bl" blood time-out with total blood time
- Programmable maximum injury and blood times
- Ability to set/change values during match
- Master reset quickly gets timer ready for next match

* **Note: The SS-2100 does not do scoring.**

OPTIONAL CARRYING CASE:

Model SC-3210

Soft-Sided Carry Case

Custom-designed padded nylon case designed to transport, store, and protect Model SS-2000 or SS-2100 scoring systems. Conveniently holds all scoring system components, cables and power cords.

Proudly Made in the USA!!
