SPORTS & FITNESS SCALES

Portable Battery-Powered Scale with BMI

Model PS-6615

Befour, the leader in athletic weighing, offers the PS-6615. It has the same accuracy and ruggedness as the classic PS-6600ST, but with many enhancements including the exceptional battery life of an entire season and beyond. Use this scale anywhere—no outlet or recharging needed.

Weight measurement is quick: 2 seconds under normal use. Weight also appears instantly and is tracked in the app of your choice when using the optional Bluetooth wireless module.

Combine the #1 wrestling scale with the industry's best wrestling app!
