

BEFOUR

PROFESSIONAL HEALTHCARE SCALES

Portable Platform Scale with BMI

MODEL MX160

The MX160 is a truly versatile scale - ideal wherever precision weight measurements are required.

The platform is large in size, with a low step-up and lightweight design. Its quality and ease of use are perfect for visiting nurses, weight management clinics, and any situation where a lightweight system and high weight capacity are essential.

The scale offers many **advanced features which come standard**, including Befour's proprietary MotionLock technology and ECO Weigh battery system for years of use and allows the scale to be used anywhere.

All Befour scales are **built to last**, constructed of anodized aluminum, backed by an 'industry leading' **3-year warranty** and are **Made in the USA**.

EMR READY

HANDS-FREE
WEIGHING

FEATURES & BENEFITS

Pin point Accuracy of ± 0.1 lb.

High Capacity: 750 pounds

Built to Last: Rugged, non-corroding all-aluminum design weighing only 15 pounds

Fully Assembled: Arrives ready for use - simply insert the provided leveling feet and batteries

Body Mass Index: BMI calculator built in

Display Console: LB/KG lockout, programmable settings, BMI output, auto zero, recall, reweigh ability, and more

MotionLock automatically facilitates quick & accurate weight, even for the most unsteady user – no intervention of the care provider or patient required.

DISPLAY CONSOLE

Display is used across all Befour's medical scales: Seamlessly move from one model to another with ease

Displays weight, height, and BMI on a single screen

EMR connectivity via serial output or other options

Programmable User Settings can be set to auto-off, "Hands-Free" Weighing, etc.

'ECO Weigh' battery system provides 100,000 weighings per set of (4) D-cell alkaline batteries (included)

LB/KG Lockout: Toggle between or set to display only your desired unit of measure

3-segment battery life indicator

Large 1" LCD digits

No AC outlet or recharging needed
