Tilt & Roll Portable Scale

Model PS-8070

The PS-8070 is a truly versatile scale that is ideal for most weighing needs, since it delivers a quick and accurate weight. It is equally at home in a health club, fitness center, or on the shop floor—weighing people or packages.

The sturdy, integrated handrail is a standard feature that can be grasped by the user while still providing an accurate measurement, using Befour's exclusive MotionLock technology. Transport is easy...simply tilt the scale back on its heavy-duty wheels and roll to the next location.
Battery powered—no outlet or re-charging needed!
